

A Message From Sylvia Johnson, Chair PGC Democratic Central Committee

Dear Prince George's County Democratic Constituents,

THANK YOU for your active participation in our Party. We know that with all that is going on in the world around us, this is a really hard time for many people. Some are angry and fearful and others may feel powerless, but together, we can overcome this.

**NOW IS NOT THE TIME TO LAY DOWN
AND POUT....
NOW IS THE TIME TO ROLL UP OUR
SLEEVES AND GET TO WORK!**

The State Party has directed all Central Committees to participate in "Do Something Weekend". Activities are to be held during the first and second weekends of the Month of March to demonstrate our commitment to standing against political oppression.

The State Party wants our Central Committee to lead an organized effort next week representing Prince George's County. Attached, please find our Prince George's County Central Committee's collective effort to show our support for Education. Members of the State Party will join us at Bowie State University

therefore your presence is requested and expected.

We will assemble at 3:00pm at the Greenbelt Metro to rally against massive cuts to Education, the high cost of living, the high cost of food, and the firing of federal employees! Speakers have been lined up to address our gathering and YOU are essential to the overall success.

Please Join Us!

YOUR PARTICIPATION IS CRITICAL and we ask that you invite others to join us in this rally as well!
